1	The Secretary, Central Mahomedan Association Letter dated 9-2-1924, Requests on behalf of the Young Men Muslim Association, Chitaldrug Town, that the Association be granted the Privilege of returning members to the Representative Assembly

This is only a representation from the Secretary, Central Mahomedan Association on behalf of another Association in Chitaldrug & it is doubtful whether the latter Association is only a Branch Association of the former. The application has not also been received in the Prescribed form with the necessary details required therein & these have to be called for from the Association

Submits for orders.

BVR. 12/2

This is an Association of young men of the Community & the question of granting the privilege is for consideration. It is not known if application in the proper form has been received. This can be decided perhaps after the receipt of the bye-laws & the details of the members of the Association is known.

Though the application has not still been received in the prescribed form all the details regarding the rules except the copy of the rules which seems to be under print have been furnished. The number of members on the Roll is 115, and steps have been taken to get the Association registered. It is therefore a point for orders whether the Association may be recognised.
